ABOUT US

AYM SHAFa MISTDO is a business unit of AYM SHAFa Holdings Limited that is mandated for the training of employees on safety across the Oil and Gas industry in Nigerian which obtained It's permit from Nigeria Mid-stream Down stream Petroleum Regulator Authority (NMDPRA). Our Training Center is among the accredited MISTDO training providers and is published on the MISTDO portal

Our Vision

To be the foremost Professional Institution in Nigeria in the area of Health, Safety & Environment, Corporate and Public Governance Administration

Our Mission

To equip young Nigerians with the modern-day Health and Safety knowledge and Certifications that will make them an invaluable assets to any employer and organization.

ABOUT US CONT'D

Training is one of the most important components within your company's safety management system. It gives employees an opportunity to learn their jobs properly, bring new ideas into the workplace, reinforce existing ideas and practices and it helps to put your Safety and Health Program into action. Everyone in your company will benefit from Safety and Health training through fewer workplace injuries and illness, reduced stress and improve higher morale. Our training program will focus on Health and Safety concerns that determine the best way to deal with particular hazard.
